FORBES MONEY MASTERMINDS

TIMEFRAME: 15 APRIL 2025

FORMAT:

HALF-DAY CONFERENCE AND AFTERPARTY

TOPIC:

An investing and networking powerhouse in which absolutely remarkable personalities that you won't find gathered just anywhere meet under one roof. On the stage and in the hall, you'll see and meet the movers and shakers of Czech business, like Ondřej Tomek, Jan Sýkora, Jan Barta, Jakub Čanda, Pavel Mucha, Viktor Fischer, Petr Borkovec, Michal Semotan, Václav Dejčmar, and Josef Průša. This Forbes event was created to form a counterweight to all those tired-out conferences that feel like they're from 2003. On the Money Mastermind stage we get straight to the point, we don't do panel discussions with 4+ speakers giving 10-minute hellos, and our afterparties are legendary. The attendees in the auditorium have free capital for investments – they're not students or wannabes. Your spirit guide for this event will be the concept's author, the Forbes editor-in-chief Zdravko Krstanov.
